Office Hours: Tuesday and Wednesday 12:30-1:30pm in 608-5 Evans

**Introduction**

In section we will review materials taught in lecture; new materials may also be introduced which you would be held responsible for. You are encouraged to ask questions during section, office hour and by email.

**Office Hour, Appointments and Email Policy**

Feel free to drop by my office hours for any questions you have although questions on class materials or homework would understandably have priority. If you cannot make it to regular office hours you can setup an appointment; available time slots will be announced later on. You are also encouraged to ask questions through email. I would try my best to reply within a day—please do not expect me to be able to reply to your inquiries right before a test or homework due time.

**Switching Sections**

You can freely switch between the two sections I taught. Switching to and from other sections however is subject to the consent of the corresponding GSI.

**Section Website**

I will upload all section notes to the website stated above. There is nothing on it currently; if you are curious you can have a look at last semester's website:
