

Syllabus

Time and Location:

109	TuTh 1-2	35 Evans
112	TuTh 2-3	51 Evans

GSI: Vinci Chow

Email: vincichow@berkeley.edu

Website for section: http://www.ticoneva.com/econ/econ100a_sp08/

Office Hours: Monday 2-3, Wednesday 12-1 in 608-1 Evans

Introduction

In section we will review materials taught in lecture; new materials may also be introduced which you would be held responsible for. You are encouraged to ask questions during section, office hour and by email.

Office Hour, Appointments and Email Policy

I will be somewhere in Evans during my office hours. Feel free to drop by for any questions you have although questions on class materials or homework would understandably have priority. If you cannot make it to regular office hours you can setup an appointment; available time slots will be announced later on. You are also encouraged to ask questions through email. I would try my best to reply within a day—please do not expect me to be able to reply to your inquiries right before a test or homework due time.

Switching Sections

You can freely switch between the two sections I taught. Switching to and from other sections however is subject to the consent of the corresponding GSI.

Section Website

I will upload all section notes to the website stated above. There is nothing on it currently; if you are curious you can have a look at last semester's website:
http://www.ticoneva.com/econ/econ100a_sp07/

Math Checklist

Techniques you should already know

- Product Rule
- Quotient Rule
- Chain Rule
- Taking partial derivatives
- Solving simultaneous equations
- Calculating average, variance and standard deviation

Techniques we will cover in section

- Maximization with two variables
